July 15, 2019

Carlton Fields is pleased to announce that today it has relocated its New Jersey office to 180 Park Avenue, Suite 106, Florham Park, NJ 07932-1054.

“We look forward to serving our clients from this new location, which provides more opportunity for growth and gives us a modern and efficient workspace,” said New Jersey Office Managing Shareholder Robert Novack.

Carlton Fields' New Jersey office opened in January and was previously located at 830 Morris Turnpike, Fourth Floor, Short Hills, NJ 07078-2625. The office is home to a team of commercial and insurance litigators who extend the firm's ongoing growth in the New York area and complement Carlton Fields' expanding National Trial and Insurance practices. Last month, the office added attorney [Kenneth J. Cesta](#), a commercial litigator with more than 30 years of experience.
