

Jack Clabby Quoted in Law360: “In-House Attys Need to Keep Trying for Firms to Adopt AFAs”

March 29, 2023

Law360 quoted Jack Clabby in an article titled “In-House Attys Need to Keep Trying for Firms to Adopt AFAs.” The article discusses one of the takeaways from the *Carlton Fields 2023 Class Action Survey* that fewer than half of businesses are using alternative fee arrangements to defend class actions. Clabby stresses that “not all AFAs are created equal,” and as a result, in-house counsel facing resistance from their favored firms might want to reconsider which method they’re trying to use.
