

Law360 Covers 2023 Class Action Survey: “GC Cheat Sheet: The Hottest Corporate News of the Week”

March 10, 2023

Law360 covered Carlton Fields’ 2023 Class Action Survey in its article, “GC Cheat Sheet: The Hottest Corporate News of the Week.” The article focuses on the top corporate legal from the past week. The piece notes that in-house counsel expect data privacy litigation to top the subjects of class actions next year, even as concern about those cases has decreased among general counsel and their companies.
