October 18, 2018

New York – Carlton Fields is pleased to announce that three of the firm’s New York attorneys were selected for inclusion in the 2018 issue of *New York Metro Super Lawyers*. The attorneys were recognized by primary area of practice.

Super Lawyers

- Ethan Horwitz - Intellectual Property Litigation

Rising Stars

- Robert W. DiUbaldo - Insurance Coverage
- Nora A. Valenza-Frost - Insurance Coverage

No more than five percent of New York City area attorneys earn a spot on the Super Lawyers list each year. The Rising Stars list is similarly selective and honors lawyers who are under 40 or have been practicing less than 10 years. *Super Lawyers* has a separate publication for upstate New York.

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys.
