

Public and Private Offerings

Overview

We represent issuers and underwriters/private placement agents in the offer and sale of equity (common and preferred stock, limited liability company interests, limited partnerships, REITs, etc.), debt (bonds, promissory notes, debt or notes convertible into equity, etc.), and hybrid securities in both small and large private and public offerings. These offerings cover a wide variety of industries and specialty areas, such community banks, insurance companies, and REITs.

Experience

- Counsel for national construction contractor in connection with more than \$100 million in claims relating to Central Florida convention center project
- Counsel for subcontractor defending \$85 million claim for failure of phosphate reservoir
