

Commercial Risk Covers 2023 Class Action Survey: “US Class Action Spending Up For Eighth Consecutive Year to \$3.5bn”

March 09, 2023

Commercial Risk covered Carlton Fields’ 2023 Class Action Survey in its article, “US Class Action Spending Up For Eighth Consecutive Year to \$3.5bn.” The article notes that while class action defense spending is up for the eighth consecutive year and is expected to be one of the fastest-growing areas of legal spending in 2023, companies continue to decrease the number of in-house attorneys dedicated to the practice area.
