

Coy Stull Quoted in Law360: “The Biggest Patent Rulings of 2023”

December 13, 2023

Coy Stull was quoted in *Law360*, in an article titled “The Biggest Patent Rulings of 2023.” The article discusses some of the major patent-related decisions in 2023, such as the Federal Circuit suspending one of its own judges, Delaware's chief federal judge telling the U.S. Department of Justice to investigate attorneys practicing in his court, and the Federal Circuit vacating a huge infringement verdict. Stull comments on decisions involving antibody patents and a crackdown on hidden litigation funding. [Read the article](#). Subscription may be required.
