

Jason Quintero Quoted by Daily Business Journal: “Historic Flooding, Power Outages and Debris From Hurricane Milton Forced Tampa Law Firms to Go Remote”

October 11, 2024

Jason Quintero was quoted by the *Daily Business Review* in an article titled “Historic Flooding, Power Outages and Debris From Hurricane Milton Forced Tampa Law Firms to Go Remote.” The article discusses how some law firms with offices located in the hurricane's path had their staff and attorneys work remotely in anticipation of the storm. "Our Tampa office has not been damaged. We've got power and elevators are functioning right now," said Quintero. "I suspect we will be back to normal operations by Monday, so we're very fortunate in that regard." [Read the article.](#)
