Overview

Jessica Bennett is responsible for developing and delivering a variety of publications and communications in support of the firm's brand positioning, business development, and recruitment objectives. She plays a key role in shaping editorial strategy and processes and developing digital content marketing strategy. As the firm's senior writer and editorial manager, she combines her passion for writing and training in journalism with her knowledge and experience in legal research and writing.

Jessica joined Carlton Fields after two federal judicial clerkships in the Middle District of Florida.

Jessica is fluent in Spanish.
