

No Password Required: A Cyber Threat Intelligence Analyst Who Is an Expert on Social Media Trolls

September 03, 2021

The *No Password Required Podcast* is dedicated to introducing and celebrating the practitioners, leaders, researchers, and individuals who are shaping the cybersecurity industry. Join us for an in-

depth conversation that explores our guests' personalities, expertise, and the path that led them into cybersecurity. The team also discusses current cyber threats and readiness tips for security professionals and business leaders alike.

Charity Wright is a Cyber Threat Intelligence Analyst at Recorded Future who specializes in Chinese threats and disinformation. Charity is a Super Mario-loving extrovert who utilizes her research and inferencing skills in both of her full-time jobs; threat analyst and mom. Charity is a Chinese Linguist who often spends her workdays scrolling through social media searching for trolls and Chinese disinformation/propaganda. In this episode, Charity joins the No Password Required team to talk about how she came to be a linguist in the U.S. military, possibilities of where China will go in the future, and why curiosity has been one of the most essential aspects of her career. Ernie, Clabby, and Pablo talk about Clabby's "Yahoo! news rule" and the channels they use to stay informed in the ever-changing cyber industry. In the Positively Cyber segment, Pablo introduces the sophisticated, yet mysterious, Jay Gatsby as the Chief Financial Officer of our fictitious cybersecurity organization.
