

No Password Required: A Cybersecurity Education Specialist, Whose Passions Include the Forest, DIY, and Deviled Eggs

May 11, 2022

The *No Password Required Podcast* is dedicated to introducing and celebrating the practitioners, leaders, researchers, and individuals who are shaping the cybersecurity industry. Join us for an in-depth conversation that explores our guests' personalities, expertise, and the path that led them into cybersecurity. The team also discusses current cyber threats and readiness tips for security professionals and business leaders alike.

Dr. Melissa Dark is the Founder of DARK Enterprises, a non-profit organization dedicated to developing and supporting cybersecurity education at the secondary level. Before that, Dr. Dark worked in graduate and college cybersecurity education for over 20 years, as a professor at Purdue University. In this episode, Dr. Dark joins the No Password Required team to discuss her career in “training the trainers,” the early days of cybersecurity education as an academic subject, and how to encourage cybersecurity awareness among today’s students. Ernie and Jack discuss the Pinellas Park, Florida, cybersecurity analyst alleged to have stolen almost \$600,000 in cryptocurrency and how he supposedly did it.
