

# No Password Required: The Motorcycle-Riding Founder of Cyversity Who Values Mentorship and Inclusivity Above All Else

April 07, 2022

The *No Password Required Podcast* is dedicated to introducing and celebrating the practitioners, leaders, researchers, and individuals who are shaping the cybersecurity industry. Join us for an in-depth conversation that explores our guests' personalities, expertise, and the path that led them into cybersecurity. The team also discusses current cyber threats and readiness tips for security professionals and business leaders alike.

Larry Whiteside Jr. is the President and Director of Cyversity, an organization whose mission is to achieve consistent representation of women and underrepresented minorities in the cyber industry through programs designed to diversify, educate, and empower. As someone who has experienced the value of mentorship firsthand throughout his life, both as a child and an adult, Larry is passionate about creating a space in the cyber field where everyone is valued and heard. In this episode, Larry joins the No Password Required team to discuss the mentors who helped turned his life around as a teen, the coolest motorcycle-riding character of all time, and the value of honoring every person's individual perspective in life. Ernie, Jack, and Pablo discuss the potential cyber consequences of the Ukraine conflict. In the Technologue segment, Pablo breaks down the Cloud and its benefits.
