

Telehealth Breach Litigation – Key Actors, Claims, Defenses, Tips

June 23, 2020

Carlton Fields attorneys Patricia S. Calhoun and Patricia M. Carreiro authored an article in *Bloomberg Law* about potential litigation related to the expansion of telehealth during the COVID-19 pandemic. Calhoun, a health care privacy lawyer, and Carreiro, whose practice focuses on cybersecurity and privacy, suggest strategies for health care providers to prepare for a new wave of telehealth litigation.
