

# Carlton Fields Picks Up Immigration, Labor Pro in Florida

February 12, 2020

Carlton Fields labor and employment attorney Federico Maciá was featured in a *Law360* article regarding [his recent move to the firm's Miami office](#). The article highlights his position as leader of the firm's immigration planning and compliance law practice, where he will provide a spectrum of immigration services to institutional and individual companies. Maciá's experience is expected to be a boon for clients trying to comply with the constantly changing immigration related regulations. [Read the article](#). (Subscription may be required).
