

Winning Murtha Attorney for Hartford Stadium Development Jumps to Carlton Fields

February 17, 2020

Carlton Fields construction Shareholder Leslie King was featured in a *Connecticut Law Tribune* article regarding [her recent transition to the firm's Hartford office](#). The article discusses her decision to join the firm and its nationally ranked Construction Practice Group, where she will continue to work with the city of Hartford on disputes involving Dunkin' Donuts Park, as well as represent residential and commercial property owners in construction disputes and litigation. King's strategic addition significantly complements the Construction Practice Group's already strong capabilities. [Read the article.](#)
