

Carlton Fields' Marci Schmerler Featured in CREFC Women's Network Member Spotlight

November 19, 2020

Carlton Fields real estate attorney Marci Schmerler was featured in a CREFC Women's Network Member spotlight, where she highlights her extensive experience in the industry, as well as her involvement within CREFC. Schmerler also shares how CREFC has helped her connect with women in the commercial real estate industry. "As a female attorney who started practicing law in the 80s, for a long time, I was one of the few women attorneys not only at my law firm but in most commercial real estate circles. I was fortunate to have amazing mentors, clients and colleagues throughout my career, but had very few women mentors in my field. At CREFC, and as a result of the collegiality and commitment of the membership and programs, I have met and developed lifelong professional and personal relationships," said Schmerler.
