

‘They Expect to See the Bills Reduced’: Litigators Juggle New Expectation Amid Pandemic

May 12, 2021

Carlton Fields was featured in a *Law.com/Daily Business Review* article about offering alternative fee arrangements to meet firm clients’ needs. The article included quotes from Carlton Fields President and CEO Gary L. Sasso, Shareholder M. Derek Harris, and Director of Legal Project and Practice Management C. Peter Hitson. “Clients choose to work with our firm because we offer alternate pricing approaches that meet their needs for predictability and better match legal fees with the value of the services we provide,” Hitson told the publication.
