

Carlton Fields' Michael Yaeger Authors Law360 Article on Sentencing Commission Data Tool

October 14, 2021

Carlton Fields attorney and [Empirical Justice LLC](#) founder Michael Yaeger authored a *Law360* article, "Sentencing Commission Data Tool is Deeply Flawed," analyzing the recently released Judiciary Sentencing Information (JSIN) platform, and the issues in it that can create "a misleading picture of sentencing."
