

Carlton Fields' Tom Morante Authors Business Law Today Article on NFTs in the Art World

April 09, 2021

Carlton Fields attorney Tom Morante authored a *Business Law Today* article about the arrival of non-fungible tokens (NFTs) as loan collateral in the art world. Morante analyzes what would need to be reviewed or reworked in regards to authentication, appraisals, perfection of a security interest, and casualty loss and theft for institutional lenders to be comfortable with these new NFT-secured loans.
