

FTX Bankruptcy Means \$73 Million in Political Donations at Risk of Being Clawed Back

December 12, 2022

Carlton Fields attorney Ilan Nieuchowicz was quoted in a *Bloomberg* article discussing the legalities behind the potential clawback of up to \$73 million in political donations tied to the defunct crypto exchange, FTX. Nieuchowicz explains that a key factor for any attempt to recoup these donations is whether the court determines there was fraud or fraudulent intent involved in FTX's collapse. If so, nearly all of the donations could be a target for recovery. [Read the full article here](#). Subscription may be required.
