

Carlton Fields Adds 5 Attys To Growing LA Office

January 10, 2022

Carlton Fields' Los Angeles office growth was recently featured in *Law360 Pulse*: "Carlton Fields Adds 5 Attys to Growing LA Office." This growth was followed by the addition of renowned business litigator Ellyn Garofalo, increasing the total number of attorneys in the city by almost 30%. Mark Neubauer, Los Angeles office managing shareholder, told *Law360*: *We are determined to add top legal talent. We've been talking with some of these attorneys for a while, and they were ready to join us. People are looking for better homes these days, and we'd like to believe we're that type of place. As large firms become too large, they're looking back to when those firms were more our size and more humane and that's one of the things that makes us attractive. Several lawyers who joined us earlier, their practices are coalescing and helping spur this growth.* READ: [Law360 Pulse "Carlton Fields Adds 5 Attys To Growing LA Office"](#)(Subscription required)
