

How Many Years Could Elizabeth Holmes Face in Prison? Decades, in Theory

January 05, 2022

Carlton Fields Shareholder and [Empirical Justice LLC](#) Founder Michael Yaeger was featured in a *Wall Street Journal* article examining the potential prison term of Theranos Inc. founder Elizabeth Holmes. Yaeger supplied an analysis showing that the median prison term for cases with characteristics similar to Holmes's is 16 years. [Read the article](#). (Subscription may be required).
