

SEC's Approach to Equitable Settlement Questioned by Legal Veteran

November 10, 2022

Carlton Fields Shareholder Richard Choi was quoted in a *Think Advisor* article, “SEC's Approach to Equitable Settlement Questioned by Legal Veteran.” The article covered a discussion that Choi participated in at an American Law Institute CLE insurance products conference, during which Choi addressed the Equitable subsidiary’s Securities and Exchange Commission (SEC) settlement. Choi suggested that the SEC may have been unusually tough on account statements issued by Equitable when it negotiated a \$50 million settlement with the company. [Read the article.](#)
