

Jack Clabby Quoted in Law360: “GCs Expect More Data Privacy Litigation But See Less Risk”

March 07, 2023

Law360 quoted Jack Clabby in its article, “GCs Expect More Data Privacy Litigation But See Less Risk.” The article discusses the findings of Carlton Fields’ Class Action Survey and in-house counsel anticipating data privacy litigation to top the subjects of class actions next year, even as concern of those cases have decreased among general counsel and their companies.
