

Tino Lisella Quoted in Financial Planning: “FINRA Fights for Life in 'Existential Threat' D.C. Court Case”

November 01, 2023

Tino Lisella was quoted in *Financial Planning*, in an article titled “FINRA Fights for Life in 'Existential Threat' D.C. Court Case.” The article discusses a legal challenge against FINRA that calls into question whether it's constitutional to allow a private organization to police so much of the securities industry. “Whether this results in a substantial defanging of FINRA really depends on to what extent the court is willing to pull the plug on all this,” Lisella said.
