

Tom Morante Quoted in Captive Insurance Times: “Great Expectations”

November 02, 2023

Tom Morante was quoted in *Captive Insurance Times*, in an article titled “Great Expectations.” The article features thoughts and insights from industry professionals regarding captive insurance in Latin America, as well as recent developments and current barriers to captive uptake in the region. “Captive adoption in LatAm faces many of the same challenges as in other regions, particularly in the areas of underwriting, pricing and fronting structures,” said Morante.
