

Trish Carreiro Quoted in Daily Business Review: “Amid Spreading Patchwork of Data Privacy Regs, Attorneys Embrace New Opportunities”

August 15, 2023

Trish Carreiro was quoted in a *Daily Business Review* article titled “Amid Spreading Patchwork of Data Privacy Regs, Attorneys Embrace New Opportunities.” The article discusses how compliance-side attorneys are advising clients to be proactive with new cybersecurity and data privacy laws. “California’s [Consumer Privacy Act] is often going to be what I would use as a starting point,” said Carreiro. “But then you still have to go and address all the little differences and wrinkles that exist in other state laws as well.” [Read the article](#).
