

# Gary Sasso Interviewed in Law360: “Fla. Law Firm Leaders Envision Continued Growth in 2024”

January 01, 2024

Gary Sasso was interviewed in *Law360*, in an article titled “Fla. Law Firm Leaders Envision Continued Growth in 2024.” The article discusses what Florida law firms can expect amid economic uncertainty in 2024. Despite an anticipated slowdown in transactions amid high interest rates, firm leaders in the state say they see the potential to expand upon a wide range of practice areas. “I do think that's going to impact demand for legal services next year as our clients tighten their belts, so we're gonna continue to do our best to earn their allegiance with us to service their needs to help them get through this,” Sasso said.
