

# Trish Carreiro Quoted in Law360: “Cybersecurity & Privacy Policy to Watch in 2024”

January 01, 2024

Trish Carreiro was quoted in *Law360*, in an article titled “Cybersecurity & Privacy Policy to Watch In 2024.” The article states that the data privacy and security arena shows no signs of cooling off in 2024, as the enforcement of several new state privacy laws is expected to heat up and artificial intelligence continues to drive the creation of regulations. In addition to any new legislation to come, current statutes will also keep companies on their toes in 2024. “Now that we have all these privacy laws, it will be interesting to start to see how they’re enforced,” Carreiro said.
