

Trish Carreiro Quoted in Tampa Bay Business Journal: “ConnectWise Faces Class Action After Alleged Data Breach Affecting Thousands”

April 19, 2024

Trish Carreiro was interviewed in *Tampa Bay Business Journal*, in an article titled “ConnectWise Faces Class Action After Alleged Data Breach Affecting Thousands.” The article discusses a class action lawsuit against one of Tampa’s largest tech firms, which alleges the firm’s negligence incited a data breach. “I have often faced these lawsuits, and what I see is companies that have worked very hard, often putting in a ton of protections, but things still happen,” said Carreiro. “These huge investments that companies often make in cybersecurity do not make a breach impossible.” [Read the article](#).
