No more than 5% of Connecticut attorneys earn a spot on the Super Lawyers list each year. The Rising Stars list is similarly selective and honors lawyers who are under 40 or have been practicing less than 10 years. Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area. The result is a credible, comprehensive, and diverse listing of exceptional attorneys.
