- 100 percent (perfect score) for 10th consecutive year on the 2019 Human Rights Campaign Foundation's Corporate Equality Index “Best Place to Work for LGBT Equality”

“Carlton Fields has shown a commitment to diversity and inclusion throughout the firm's nearly 120-year history,” said Chief Diversity Officer Nancy Faggianelli. “We are truly honored to be recognized by our associates, and by *Vault*, as one of the nation's leading law firms in diversity practices.” For

more than 20 years, *Vault's* influential rankings, ratings, and reviews on thousands of top employers, including law firms, have been a key source of information for employees and applicants. This year, nearly 20,000 law firm associates participated in *Vault's* Annual Associate Survey. As part of the survey, associates rated their own firms—on a scale of 1 to 10—in a variety of Quality of Life areas, including, training, diversity, and firm culture. Associates also rated their firms in several diversity categories and pro bono.
