

Carlton Fields Welcomes 2022 Summer Associate Class

May 19, 2022

Carlton Fields is pleased to welcome its 2022 summer associate class. The firm's Summer Associate Program provides its diverse class with opportunities to serve business clients in key industries, sharpen their real world legal skills, and cultivate purposeful relationships with firm colleagues and clients. Summer associates will participate in all aspects of the firm's practices, including client meetings and court proceedings. Class members can also become involved in the firm's pro bono initiatives through engaging with local legal aid societies and taking part in bar, civic, and community-oriented activities. This year, nine distinguished law students from six law schools will spend the summer working with firm attorneys in Atlanta, Hartford, Miami, and Tampa, where they will continue their legal education and training, learn about practice areas and industry groups of interest, and work with designated mentors and other firm attorneys on meaningful assignments. **Carlton Fields Summer Associate Class of 2022 (By Office)** Atlanta
