

# Government Law & Consulting

## Overview

Carlton Fields helps clients, including the largest single-site developer in the country, solve wide-ranging federal, state, and local government law challenges from coast to coast. We address problems through negotiation, litigation, and legislation. Our lawyers, lobbyists, land planners, and consultants handle matters related to complex land use litigation and large-scale approvals; long-term resolution of complex environmental law issues; groundbreaking legislation with tremendous economic impact; election law challenges that gain international attention, and many other contractual, procurement, and economic development issues that impact corporations, individuals, and government agencies.

We assist clients with:

- [Government affairs and lobbying](#)
- [Environmental, land use and development approvals and litigation](#)
- [Administrative litigation and appeals](#)
