Overview

The firm's Finance Department is managed by CPAs and degreed accountants who direct all aspects of the firm's finance functions, including financial recordkeeping, reporting and analysis, client billing, collections, and budgets and forecasts in support of the firm's financial and strategic objectives. The department works closely with clients who have specific billing requirements, including electronic data exchange.

Christy Gant is the firm's chief financial officer. She has been with the firm since 1984, and previously served in various positions of progressive responsibility with the most recent being director of finance.
