Overview

Jon Gatto is a board certified health care law attorney who focuses his practice on complex health care regulatory and transactional issues. Jon's specific areas of emphasis include:

- Public-private relationships in the health care space, including public hospital sales and leases, sovereign immunity, and compliance with the Sunshine Law and Public Records Act
- Medicare Advantage and other risk-based managed care payment models
- Stark Law, anti-kickback, and health care fraud and abuse
- Electronic health records
- Noncompetitive agreements in the health care space

Experience

- Regulatory counsel in four public hospital sale or lease transactions since 2014.
- Obtained \$1.9 million arbitration award in favor of managed care corporation in dispute with independent practice association over risk-based reimbursement.
- Represented hospitals in government investigations regarding health care fraud and abuse.
- Represented hospitals for electronic health records donations to physician practices.

- Medicare and Medicaid self-disclosures to Office of Inspector General and Centers for Medicare and Medicaid Services.
- Medicare and Medicaid overpayment refunds.
- Physician practice breakups and realignment.
- Florida health care licensure matters.
- Stark Law and anti-kickback statutes matters.
- Public Records Act and Sunshine Law matters.
- Sovereign immunity matters.
- HIPAA and data privacy matters.
