## Overview

Michael Donaldson's practice includes administrative, land use, and environmental law with a particular focus on assisting and representing owners, developers of affordable housing seeking to obtain available funding from the Florida Housing Finance Corp., including low-income housing tax credits, State Apartment Incentive Loan program funding, and Multifamily Mortgage Revenue Bond program funding. Michael also represents developers, building contractors, and other licensed professionals with licensure issues before the Department of Business and Professional Regulation, and corresponding local government regulatory agencies, including representing clients in disciplinary proceedings. His practice also includes representing clients in competitive bid protests and other contract procurement matters both at the state and local levels. Michael's practice also includes representing clients in general litigation matters in circuit court including construction litigation and representing lending institutions in consumer finance litigation. Michael is AV rated by Martindale-Hubbell.

## Experience
