Overview

Enrique Miranda is a transactional health care lawyer. He drafts and negotiates business associate agreements, physician employment agreements, and other commercial and corporate documents. He also ensures regulatory compliance with Medicare and Medicaid reimbursement, Stark Law, anti-kickback, and HIPAA and HITECH in mergers and acquisitions and other matters.

During law school, Enrique earned a concentration in health law from the nation's premier health law program. He was an extern at a large health system and participated in the 2016 National Health Law Transactional Competition.

Enrique is fluent in Spanish.
