Overview

Susan Spencer represents clients in a wide array of complex business transactions, including mergers and acquisitions, credit facilities, public and private securities sales, leveraged buyouts, recapitalizations, joint ventures, and other commercial matters. Susan's practice spans a wide range of industries, including financial services, transaction processing, data and information security, health care, software, manufacturing, telecommunications, and other technology and information technology services.

Susan frequently advises clients and their management teams on fiduciary duty, organizational structuring, operating contract, and other general corporate matters. She also regularly counsels insurance companies with respect to claims made under representations and warranties insurance policies issued in connection with mergers and acquisitions.
